

## Art Explorations at Grounds For Sculpture *Presented by the Joshua Harr Shane Foundation*

We are excited to introduce a new program by the Joshua Harr Shane Foundation, designed specifically for adults with special needs who have aged out of the school system, our Art Engagement Program called Art Explorations at Grounds For Sculpture. We recognize that opportunities for engaging activities for challenged adults over the age of 21 are limited. This pilot program aims to fill that gap and provide enriching experiences. We encourage early registration, as each class is limited to the first 15 participants. You are welcome to register for multiple classes based on your interest. The program sessions will take place from 10:00 AM to 1:00 PM.

A guided tour, art project, and lunch will be provided.

We kindly request that parents or caregivers arrive promptly at 1:00 PM for pickup. We look forward to welcoming you to what promises to be a rewarding and enjoyable experience.

Please reach out to the Joshua Harr Shane Foundation at [JoshuaHarrShane@gmail.com](mailto:JoshuaHarrShane@gmail.com) to verify availability before completing your registration.
